

Parisian Sage For Women

Madam: Do you want an abundance of lustrous hair with no dandruff or germ?

Before you finish one bottle of delectable PARISIAN Sage hair tonic, falling hair will cease; scalp itch will be but a memory and every particle of dandruff will vanish.

Besides this your hair will be free from dandruff germs, and PARISIAN Sage will so nourish the hair roots that the hair itself will become full of life and nature's own radiant beauty.

PARISIAN Sage is not a dye—it does not contain dangerous lead or any other poisonous ingredient. For your own protection ask for PARISIAN Sage and request your dealer not to give you any preparation containing Lead or Nitrate of Silver. Large bottle of PARISIAN Sage 50 cents at The Lee & Osgood Co. and dealers America over.

The Trials of a Traveler.

"I am a traveling salesman," writes E. E. Young, R. Berkshire, Vt., "and was often troubled with constipation and indigestion until I began to use Dr. King's New Life Pills, which I have found an excellent remedy." For all stomach, liver or kidney troubles they are unequalled. Only 25 cents at Lee & Osgood Co.

New Sewerage System For Baltic

District North of Cotton Company's Land to be Laid Out in Modern Sanitary Manner—1100 Feet on Railroad Avenue and 900 on High Street to be Laid—Surveys For Police Signal System and Boswell Avenue Trolley.

The village of Baltic is to have a new sewer system and Civil Engineer George E. Fletcher of this city has been at work surveying and laying out the district and preparing the plans and specifications for the sewer. This will include that part of the village lying north of the Baltic Cotton company's land, the company's district having already a private sewerage system. High street and Railroad avenue are included in the new layout, which will extend to the bridge across Beaver Brook near the property of August Ludin. This district, which is now without sanitary sewerage, will receive proper drainage and will deliver into the company's system.

At present the sewers in that section of Baltic empty into Beaver Brook, which empties into the pond of the Shuckett-Worsted company. This condition of affairs is not a health officer, Louis J. Fontaine, has found to be detrimental to the health of the village and consequently he has ordered its discontinuance. The delivery of the company's sewer is considered sanitary and healthful.

The survey has been in progress this week and the layout will include mains of 180 feet on Railroad avenue and 800 feet on High street. As

soon as the plans and specifications are ready the contract for the sewer system will be opened to bids. The sewer improvements will be an important result of the progressiveness that the village of Baltic is now showing, and which has been evidenced by the amount of building which has been going on in that place recently, an instance of which is the handsome new Catholic church just completed.

Engineer Fletcher has also been busy this week on the layout for the proposed new police signal and telegraph system for the city and his survey will enable a close estimate of what the system will cost. Approximately the price has been placed at about \$5500. The Connecticut company has engaged Mr. Fletcher to make a survey of Boswell avenue from the track in Franklin street to Pratt street, so that the company may petition for the proposed layout of tracks. This was part of the territory gone over by the officers of the company with city officials on a recent visit here. The residents of that neighborhood are hoping for the proposed extension soon, but though some are confident, the feeling with many is that the extension to Maplewood cemetery and perhaps to Pitcheville will be secured first.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous For Norwich People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in Norwich.

Mrs. J. F. Sundstrom, Norwich, Conn., says: "For several years I suffered from backache and other symptoms of disordered kidneys. I had almost despaired of ever getting relief when I was advised to try Doan's Kidney Pills about a month ago. I procured a supply of the remedy at N. D. Sevin & Son's Drug Store, and through using them my kidneys were strengthened and I felt better in every way."

For sale by all dealers. Price 50 cents. Postmaster: Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

And All the Politicians.

The cherry growers of Eagle Valley in Baker county, who sent a carload to New York and realized \$1 a box did more for their region than all the mining promoters of a half century—Portland Oregonian.

Satisfactory progress in the construction of the Bagdad Railway has been made during the past year. On the Taurus section the line has reached Batin Marsh, and is expected to be at Bazarat Han by the end of the year; the 22 1/2 mile section between Bazarat Han and Derak cannot be completed till 1914, as the nature of the country necessitates a great deal of tunneling.
